Teen Center Student Handbook Overview

Many of Upward Bound and College Challenge activities take place at the Teen Center. Therefore, it is important for students in all three programs to understand the rules and expectations of being a member of the Teen Center. There are many policies and procedures that allow the programs at the Teen Center to operate smoothly. All students who apply to be a member of the Teen Center will receive a complete handbook, but we want students and parents to know a few of the important policies before enrolling.

- **Cell Phones**
  - Students are allowed to use their cell phones during Teen Center hours.
  - Cell phones should be off, on silent, or on vibrate during the entire homework time.

- **Entrance/Access**
  - The Teen Center is open to members during posted hours: Monday-Thursday from 2:45-6:00 p.m.
  - The Teen Center is considered an after school activity of Burke High School. When Burke High School is closed or after school activities are cancelled, the Teen Center is included. Special situations beyond our control may arise where the Teen Center must close. In such case, an announcement will be made at Burke and posted on our Facebook page.
  - If a student is arriving after 3:15 p.m. they must have a pass from a teacher, coach or note from parent.

- **Physical Discipline**
  - Teen Center staff will only make physical contact with a student in order to prevent greater harm, such as during a fight or an attempt to harm one’s self.

- **Weapons**
  - The physical safety of the youth is one of our center’s top priorities. Therefore, no youth may possess any weapon while on the Teen Center premises. The presence of a weapon may result in an immediate call to 9-1-1 and full cooperation with authorities.

- **Transportation**
  - If a student is bus eligible, they are eligible to ride the late bus home from Burke.
  - Upon acceptance to the Teen Center program, bus riders will be instructed appropriately on how to gain access to late bus.

**Code of Conduct**

Guidance and discipline are essential to creating an environment that is positive, supportive, safe, and productive. To create this environment, the following principles for conduct have been set:

- Practice the golden rule – treat others the way you would like to be treated.
- This is your center! Pick up after yourself!
- Respect your peers, volunteers and staff.
- When a staff member asks for attention, members are asked to stop, look, and listen.
- Run only in the gym or for designated activities.
- Burke High School dress code is enforced.
- Dress as identified by the Teen Center as gang related apparel is not allowed. Writing gang graffiti, possessing items containing gang graffiti or the display of gang hand signs are an indication of gang involvement and are not allowed.
- Disagree with peers and staff in an appropriate manner.
- Use appropriate language.
- Skateboards and cleats are asked not to be used on Teen Center grounds.
- Refrain from inappropriate touching, hitting, and fighting.
- Weapons or dangerous articles are not allowed.
- Alcohol, tobacco, or drugs are not allowed.
- Stay in Teen Center designated areas unless accompanied by an adult.
- Access items that belong to you. When accessing Teen Center items, you may check out through Teen Center staff.

*Please see full handbook for additional rules and expectations and procedures for consequences.*

**Upward Bound - College Challenge Methodist College**

Nebraska Methodist College is in partnerships with Burke High School and St. Luke United Methodist Church Teen Center to provide the Upward Bound-College Challenge programs. Our program serves high school students who meet program qualifications, and/or are in need of additional academic assistance. The goal of Upward Bound-College Challenge is to increase the rates at which participants complete high school, enroll in, and graduate from post-secondary education programs. To accomplish this goal, we provide tutoring, mentoring, college preparation courses, college visits, and a six-week summer program.

**Consent to Release Information**

In order for the Omaha Public School District to release confidential information to help with identifying needs and developing an individualized student plan, a signed consent form must be on file at the School District and the Upward Bound-College Challenge office.

I understand that selected Upward Bound and College Challenge staff members have limited access to my child’s student records on the school district’s student information system Infinite Campus. Organizations sponsoring and funding this program may receive student data in summary form. Personally identifiable student data is not shared with these organizations.

By signing this enrollment and consent form, you consent to the following: I authorize the Omaha Public School District to allow access to or release the following student records to Upward Bound-College Challenge.

- Family contact information
- Attendance; Daily and Term
- Grades; Transcripts
- Schedule
- Ongoing communications with school personnel
- Immunization records as needed for college visits

This Consent to Release Student Records expires upon any of the following events, whichever comes first:

- when my child no longer participates in the program, or
- when my child withdraws or transfers from the school district, or
- when my child graduates from high school (through November 1st of the year following graduation for purposes of providing end of year data)
- when a letter revoking this consent is received by Omaha Public Schools, Student Information Services, 3215 Cuming Street, Omaha, NE 68131-2024.

We are excited to announce a new program that is open to College Challenge/Upward Bound students. We know that college is expensive and costs continue to increase. In order to assist with college expenses, students can participate in a College Savings Program. The details are below. Please read carefully and complete the application if you are interested in participating.

- To participate, students must be a current Upward Bound and/or College Challenge participant. You must complete an application before you can begin depositing funds.
- Students have the opportunity to save up to $40 per month in a college savings account at American National Bank. At the end of their senior year, your savings account will be matched dollar for dollar (your savings account will double).
- These funds can only be used for the student’s higher education costs. The funds will be sent directly to the college. Higher education costs include: tuition, fees, books, and room and board. Students will not be able to use these funds to purchase a laptop.
- We received a grant from the state of Nebraska to offer this program. We hope to be able to offer this every year, but the money is not guaranteed every year. If we do not receive the money, students will still be able to have their money that they saved, just not the matching funds.
- The grant specifies that students must meet income requirements to participate in the program. You must be Pell eligible during your senior year of high school to qualify for the matching funds.
- Students will not have access to their bank account. If a student leaves the program, does not enroll in college, or wants to withdraw their funds early, they can do so, but they will lose the matching funds.
- Upward Bound students: You will be able to select how much you want to save per month when completing your Stipend Worksheet. Upward Bound students do not need to complete this form.
- Non-Upward Bound students: You can bring cash or check to be deposited in to your bank account to the Teen Center the first Tuesday of every month.
