Mission

Mission Connection:
How strongly do you feel your experience at Nebraska Methodist College reflects the following part of the mission? “Providing educational experiences

Mission Connection: How strongly do you feel your experience at Nebraska Methodist College reflects the following part of the mission? “Providing educational experiences that prepare individuals to positively influence the health and well-being of the community.” 395

Metrics	Strongly Agree	Agree	Disagree	Strongly Disagree
%	63%	35%	2%	0%
Count	249	139	6	1

Most Meaningful Mission Element: Which part of the mission do you feel most strongly about in your experience as a student? (select up to three) 398

Choices	%	Count
Preparing healthcare professionals	74%	295
Hands-on learning and clinical experience	63%	250
Faculty mentorship and support	46%	184
Impacting community health	42%	168
Commitment to service	15%	60
Other:	1%	3

Institutional Identity: When you tell others about Nebraska Methodist College, which description feels most accurate? 398

Choices	%	Count
A college focused on healthcare careers	40%	158
A small institution with personalized education	22%	88
A community-focused healthcare educator	18%	73
A specialized health professions institution	17%	66
Not sure	3%	13

Culture

Student Experience Priorities

What matters most + how well we’re doing

- Importance**
The level of importance students place on their experience at NMC (reflects expectations).
- Satisfaction**
How satisfied students are with their experience at NMC (reflects actual experience).
- Performance Gap**
The difference between Importance and Satisfaction (**Importance – Satisfaction**); indicates how well the institution is meeting student expectations.

Top Strengths: (items of the top half of importance and the top two of satisfaction scores)

- The kindness, respect, and support demonstrated by faculty, staff, and peers.
- Encouragement and guidance to achieve academic excellence.

Top Challenges: (items of the top half of importance and the lowest two of the performance gap scores.)

- Your ability to balance academic work with personal well-being.
- Opportunities to apply what you are learning to real-world situations.

Undergraduate Students

Top Strengths:

- Access to the tools, technology, and resources needed to succeed academically.
- Encouragement and guidance to achieve academic excellence.

Top Challenges:

- Your ability to balance academic work with personal well-being.
- Opportunities to apply what you are learning to real-world situations.

Graduate Students

Top Strengths:

- The kindness, respect, and support demonstrated by faculty, staff, and peers.
- Honesty and transparency in communication from faculty and staff.

Top Challenges:

- Your ability to balance academic work with personal well-being.
- Encouragement and guidance to achieve academic excellence.

Core Value Statements

- Caring**
 - Feeling valued as a student at NMC
 - The kindness, respect, and support demonstrated by faculty, staff, and peers.
- Excellence**
 - Access to the tools, technology, and resources needed to succeed academically.
 - Encouragement and guidance to achieve academic excellence.
- Holism**
 - Your ability to balance academic work with personal well-being.
 - Feeling connected to the NMC student community.
- Learning**
 - Opportunities to develop skills, knowledge, and critical thinking.
 - Opportunities to apply what you are learning to real-world situations.
- Respect**
 - Having your voice heard in class, student groups, or campus activities.
 - Honesty and transparency in communication from faculty and staff.
