Precepting with Purpose: Elevating Skills, Confidence, and Professional Pride

Course Description

The purpose of this training is to enhance preceptor competence and consistency with a focused, interactive, instructor-led program. This training will strengthen skills in SMART goal development, performance evaluation, problem-solving, ethical role modeling, and effective feedback. By addressing identified gaps in confidence, documentation accuracy, and standardized practice, the program aims to improve the quality of onboarding for new staff and reinforce professionalism and pride in the preceptor role.
