

Welcome to OB Manager's Meeting 2025

1

Continuing Education Requirements

In order to receive continuing education:

You must attend the entire program. No partial credit can be awarded.

You must complete an evaluation (it will be emailed to you). It must be completed within 7 business days after the program date or you will receive an incomplete.

A link to access your certificate will be automatically generated and emailed to you within 24 hours of completing all requirements. Go to our website: www.methodistcollege.edu/pd, then click "Account Login" on the top right side of the page. Log in to your account, then click "Certificates."

If you have any questions or need assistance, please email Nebraska Methodist College Learning Center at lc@methodistcollege.edu.

2

Program Disclosures

Provider Approval Statements: Nebraska Methodist College Learning Center is approved with distinction as a provider of nursing continuing professional development by the VTL Center for Professional Development, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Successful Completion Requirements: In order to obtain contact hours or continuing education credit for this educational activity, participants are required to complete stated requirements:

Attendance at the entire activity

Completion/submission of evaluation form within 7 days of the program

Relevant Financial Relationships with an Ineligible Company: No relevant financial relationships were identified for planners or presenters.

3

Participants Information

- Please type your full name in the "Chat" feature so we can mark your attendance.
- Please mute your microphone, when not speaking or asking a question, to avoid background interference.
- Please type any questions or comments in the "Chat" feature.

Portions of this event may be recorded for online use.

5

Disclaimers

All content provided here is for educational and informational purposes only and is not intended as a substitute for individualized professional medical advice, diagnosis, or treatment. Nothing contained herein establishes or shall be used to establish a standard of care.

This document is confidential and protected from disclosure pursuant to the privileges granted by: (1) The Health Care Quality Improvement Act set forth at: Neb. Rev. Stat. §§71-7904 to 71-7913 in Nebraska, and/or; (2) Iowa Code Ann. § 147.135 and Iowa Admin. Code r. 645-9.6 (272c), concerning confidential and privileged peer review materials in Iowa. The information contained herein shall not be disclosed outside of this facility.

Content presented through this educational program is intended to be used as a knowledge base only. Subject matter presented is not to be taken in isolation and outside the realm of patient's clinical context. Any written and or verbal didactic is to be used in conjunction with the healthcare workers own knowledge base and clinical judgment. Clinicians are highly encouraged to consider the entire clinical picture in which the patient presents before and during their care of him and or her.

Introduction to Outreach Colleagues

34

Q&A with Outreach Rural Colleagues

35

Outreach Rural Colleagues

What specific
questions/discussion
topics do you have for
your Outreach rural
colleagues related to
clinical practices?

36

Outreach Rural Colleagues

1. Meeting all respectful maternity NPQIC measures in rural communities (esp doula care)

37

Outreach Rural Colleagues

1. Meeting all respectful maternity NPQIC measures in rural communities (esp doula care)
2. Rural critical access hospitals do you have on call 24/7 for c section coverage scheduled?

38

Outreach Rural Colleagues

1. Meeting all respectful maternity NPQIC measures in rural communities (esp doula care)
2. Rural critical access hospitals do you have on call 24/7 for c section coverage scheduled?
3. What is your call back time for ancillary staff who are not in house--such as CRNA for epidural?

39
